GREAT ENTERTAINMENT.

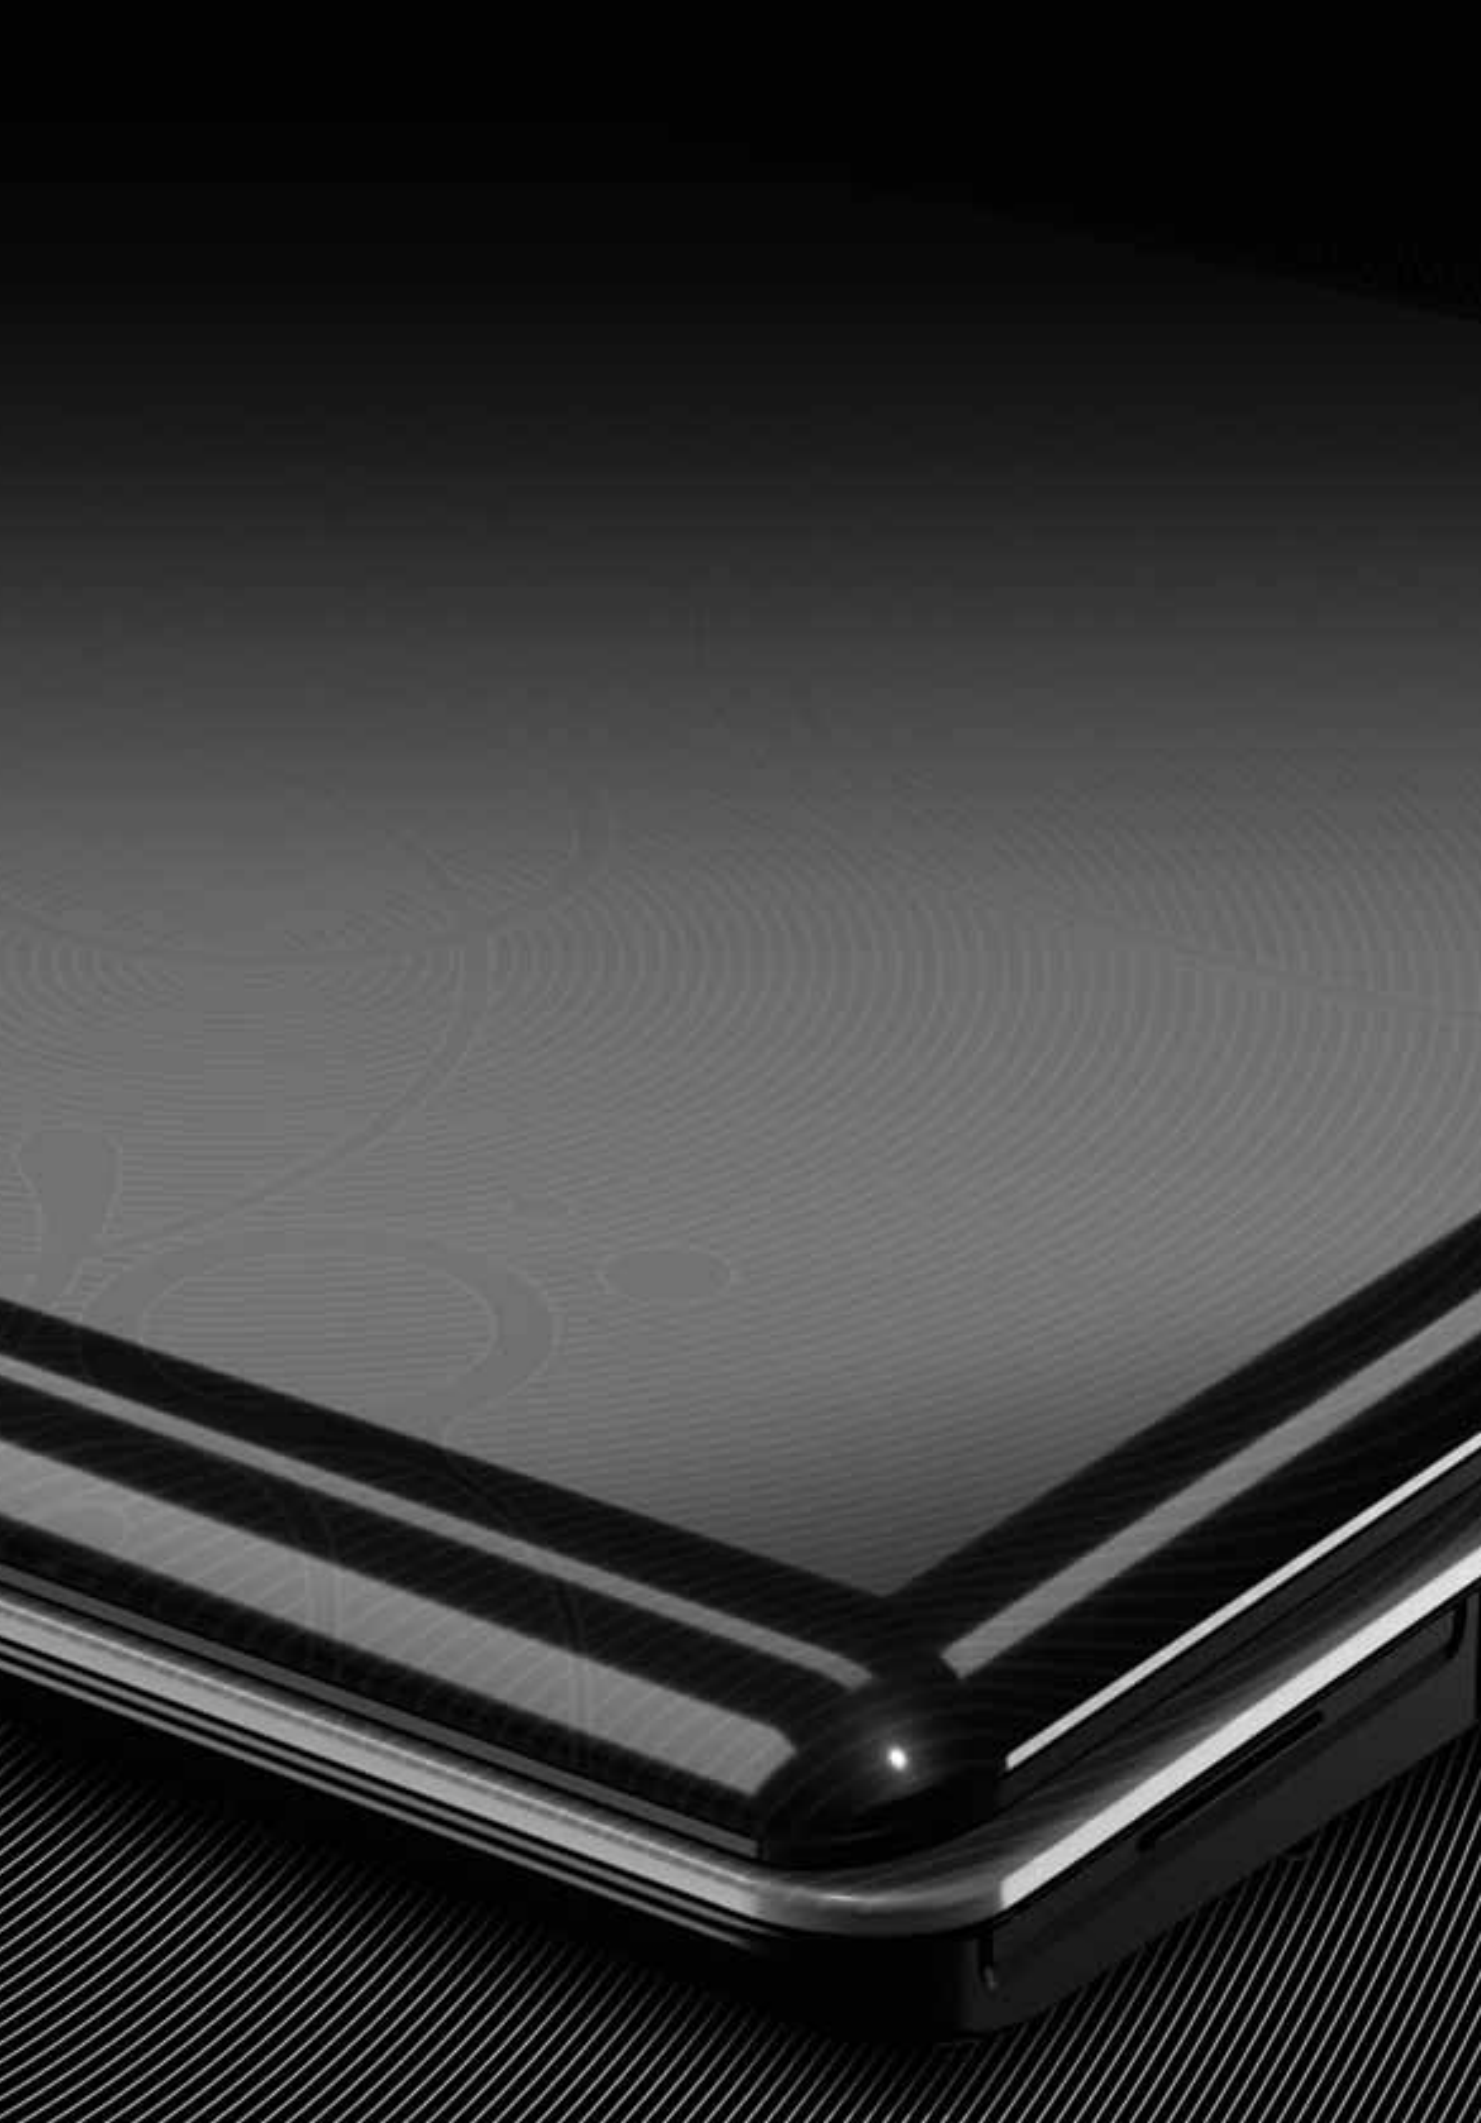
ANY WAY, ANYWHERE.

HP Pavilion dv6600 series
Entertainment Notebook PC

Make waves in fashion and technology.

High-definition entertainment now comes wrapped in style and impressive technology. Outside, the HP Pavilion dv6600 series Entertainment Notebook PC showcases a motif of swirls to reflect the precision and fluidity that's HP. And inside, cutting-edge technology with optional NVIDIA discrete graphics, packing an entertainment experience that's superior on every sensory level.

Built on a platform more advanced than ever, housing larger hard disk space, more robust memory and high-definition support makes the HP Pavilion dv6600 series Notebook PC a premium entertainment hub, on the go.



Enjoy a world of possibilities

Now you can turn your notebook into a desktop computer and discover a multitude of computing possibilities. Take advantage of all the benefits available: slots for expansion cards, optional connectors for peripherals such as printers and even a full-sized keyboard and external monitor. It's one versatile solution that brings together the expansion capabilities of a desktop and the portability of a notebook.

Crystal clear entertainment

The Altec Lansing speaker system gives you a real reason to watch your favourite movies, play your favourite games, or listen to that favourite music of yours. Its luxurious sound quality is guaranteed to bring thrills to your entertainment experience. And now with dual headphone jacks, no matter where you are, at home or at a café, it's entertainment you can share with a loved one.

Big entertainment now!

HP QuickPlay 3.2 now gives you high-definition thrills with full HD-DVD (discrete only) support. Launch your choice of entertainment with instant access to the quick launch buttons. It's convenience and pleasure at your fingertips.

Power in the palm of your hand

From the comfort of your easy-chair, now you can manage your entertainment through HP Mobile Remote*, effectively turning your notebook into an entertainment centre. Remotely turn on/off default applications to play music and DVDs. Use the remote to control your viewing as you would a television.

* Optional, sold separately.
